Hi Stacey, Vickie, Ty, Melanie, Yvette, Ann, Ted and Fredy,

We will NOT meet on Monday, Oct 3. I spoke with the VP who oversees program review at Diablo Valley College and am waiting for material from her. Ted has been seeking material from College of the Canyons. Those two schools do their program review reports electronically. It sounds like DVC has streamlined their process so I am very interested in their approach. Hopefully we will have something to review from them on Oct 17.
